

Bug-report	
ID	BR678496
Summary	There is no error message in the tab of Personal information when the user uploads a document instead of an avatar
Pre-conditions	Open the website <a href="https://www.drupal.org/">https://www.drupal.org/</a>
	The user has to be registered and logged in
Steps	1. Click on the My account button
	2. Press Edit
	3. Click on the Personal information
	4. Upload a document
	5. Press Save
Expected result	An error message appears and the document is not loaded instead of an avatar.
Actual result	The changes have been saved. There is no error message.
Post-condition	
Environment	Version 119.0.6045.124 (Official build) (64-bit version), all browsers
Severity	Low
Priority	Low
Type of bug	Functional
