Filtration of properties 5

C1: Check the filter headers

Type	Priority	Estimate	References
Other	Medium	None	None
Automation Type			
None			

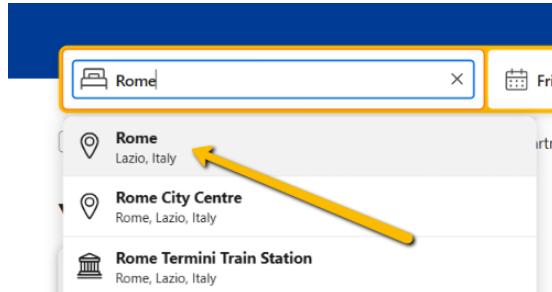

Preconditions

Open <https://www.booking.com/> website.

The website must have 10+ properties from the Direction 'Rome'

Steps

- 1 Type and select Direction 'Rome', choose dates and number of people/rooms.

- A page with available properties opens. Filters are displayed on the left side.

Fri 17 Nov — Sun 19 Nov

Calendar

< November 2023

2

Check the filter headers.

On the left side, the filter section should have the following headings:

- Your previous filters
- Your budget (per night)
- Popular filters
- Sustainability
- Property rating
- Distance from centre of Rome
- Fun things to do
- Cancellation policy
- Meals
- Property type
- Number of bedrooms
- Private bathrooms
- Landmarks
- Bed preference
- Review score
- Facilities
- Room facilities
- Neighbourhood
- Brands
- Property accessibility
- Room accessibility

C2: Check filtering by Property type

Type	Priority	Estimate	References
Other	Medium	None	None
Automation Type			
None			

Preconditions

Open <https://www.booking.com/> website.

The website must have 10+ properties from the Destination 'Rome'

Steps

- 1 On the left filter panel, put the checkbox on property type Hotels.

Filter by property type Hotels is selected.
Properties have been filtered.

Rome: 690 properties found

Based on your filters, 94% of places to stay are unavailable on our site.

Your results include apartments - Show hotels only

Popular filters

- Hotels
- 5 stars
- Breakfast included
- Bed and breakfasts
- Trastevere
- Hostels
- Central Station
- Colosseum

Quality ratings

Awarded to homes and apartments; these icons represent quality based on factors including facilities, size, location and services.

2

Open the first hotel in the list of properties filtered by Property type.

A page with a description of the chosen property opens.

The screenshot shows a travel booking page for Hotel Laurentia in Rome. The search form indicates a stay from Friday 17 November 2023 to Sunday 19 November 2023 for two adults. The property has a 3-star rating and is located at Largo Degli Oci 63, San Lorenzo, 00185 Rome, Italy. The page displays several photographs of the hotel's rooms, lobby, and dining areas. A 'Property highlights' box contains the text: 'There are more repeat guests here than most other properties.' with a checkmark.

3

Check if the property type is a hotel.

The title of the property must contain the word Hotel.

This screenshot is identical to the one above, showing the Hotel Laurentia listing on a travel website. It includes the search form, map, and property details. The 'Property highlights' section also includes the same checkmark about repeat guests.

C3: Filter properties by price using the slider

Type	Priority	Estimate	References
Other	Medium	None	None
Automation Type			
None			

Preconditions

Open <https://www.booking.com/> website.
Go to the properties of the Destination 'Rome'.

Steps

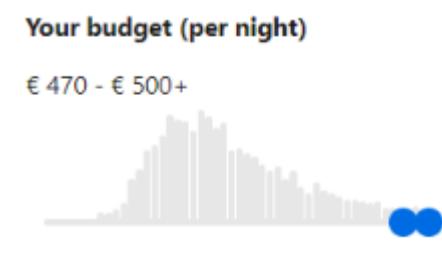

- 1 Move the point of Your budget (per night) slider to the minimum price of 10 euros.

The point of Your budget (per night) slider can be moved from 40 euros due to the available minimum price of the property.

- 2 Move the point of Your budget (per night) slider to the maximum price of 1000 euros.

The point of Your budget (per night) slider can be moved from the set general value of 500+ euros.

- 3 Apply the filter without pressing any button.

The filter must be applied and properties should be filtered by price.

The screenshot shows the Booking.com website interface for a search in Rome, Italy. The top navigation bar includes links for stays, flights, flight + hotel, car rentals, attractions, and airport taxis. The search criteria are set to Rome, from Friday 17 Nov to Sunday 19 Nov, for 2 adults, 0 children, and 1 room. A 'Search' button is visible. Below the search bar, a map of Rome indicates the location of the search results. The main content area displays 659 properties found, sorted by top picks. A message states that 94% of places are unavailable. A detailed listing for 'Passpartout Boutique Palace' is shown, featuring a thumbnail image of a room, location details (Via Nazionale, Prati, Rome), a green 'Travel Sustainable Level 2' icon, and a rating of 9.7. The listing includes a 'Fabulous' badge with 49 reviews, a 'Breakfast included' checkbox, and a price of € 974 per night. A yellow arrow points from the 'Fabulous' badge to the price. Other property details like 'Family Suite', 'Private suite', and 'Only 1 left at this price per night' are also listed. To the left, there are filter options for previous filters (Hotels, Free cancellation, Rome City Centre, Apartments), budget (€ 480 - € 500+), and ratings (Hotels, 5 stars). Popular filters include 'Breakfast included' and 'Family Suite'.

C4: Filter properties by number of bedrooms in the field with the addition and subtraction sign

Type	Priority	Estimate	References
Other	Medium	None	None
Automation Type			
None			

Preconditions

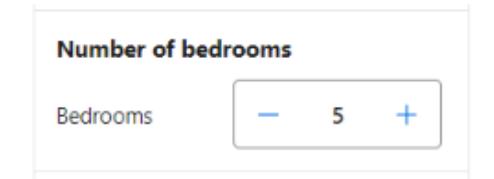

Open <https://www.booking.com/> website.
Go to the properties of the Destination 'Rome'.

Steps

- 1 Press the addition sign 5 times in the field for filtering properties by the number of bedrooms.

The filter must be applied.

The properties should be filtered by the number of bedrooms.

- 2 Try to press the addition sign more than 9 times in the field for filtering properties by the number of bedrooms.

The filter can be applied only for 9-bedroom properties.
A prohibition sign appears next to the plus.

Property type

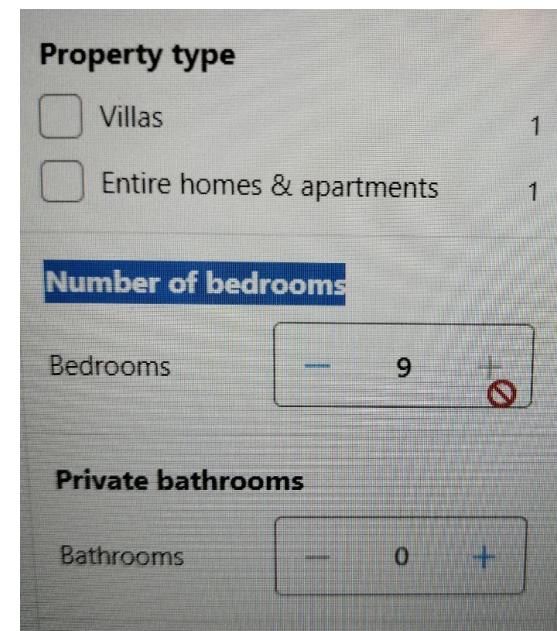

<input type="checkbox"/>	Villas	1
<input type="checkbox"/>	Entire homes & apartments	1

Number of bedrooms

Bedrooms — 9 +

Private bathrooms

Bathrooms — 0 +

A screenshot of a search interface from TestRail. It shows three sections: 'Property type' with two options ('Villas' and 'Entire homes & apartments') each having a count of 1; 'Number of bedrooms' with a slider set at 9; and 'Private bathrooms' with a slider set at 0.

C5: Check filtering by Neighbourhood

Type	Priority	Estimate	References
Other	Medium	None	None
Automation Type			
None			

Preconditions

Open <https://www.booking.com/> website.

The website must have 10+ properties from the Destination 'Rome'

Steps

- 1 On the left filter panel, put the checkbox on the neighbourhood Central Station.

Filter by neighbourhood Central Station is selected.
Properties have been filtered.

The screenshot shows the Booking.com search results for Rome. At the top, it displays 'Rome: 586 properties found' with filters for 'Fri 17 Nov — Sun 19 Nov' and '2 adults - 0 children - 1 room'. A yellow arrow points to the 'Central Station' checkbox in the 'Filter by' section under 'Your previous filters'. Below this, there's a message about unavailable properties and a note about commission. The main area shows a grid of hotel listings. One listing is highlighted: 'Cavour Luxury Rooms' (4.5 stars, 82 reviews) located '1.3 km from centre' with 'Metro access' and 'Train Station Level 1'. It shows a photo of a room, a 'Book now' button, and a price of '€ 356'. Another listing shown is 'La Griffe Hotel Roma' (4.5 stars, 7.8 reviews) located '1.1 km from centre' with 'Metro access', also showing a photo and a 'Book now' button.

Neighbourhood	
<input type="checkbox"/>	Guests' favourite area 2982
<input type="checkbox"/>	Rome City Centre 2220
<input type="checkbox"/>	Via Veneto 134
<input type="checkbox"/>	Aurelio 177
<input checked="" type="checkbox"/>	Central Station 586
<input type="checkbox"/>	Esquilino 210

<input type="checkbox"/>	Via del Corso 57

2

Open the first item in the list of properties filtered by Neighbourhood.

A page with a description of the chosen property opens.

The screenshot shows a travel booking interface. On the left is a search form with fields for destination (Rome), check-in date (Friday 17 November 2023), check-out date (Sunday 19 November 2023), and guest details (2 adults, 0 children, 1 room). Below the search form is a map of Rome with a pin indicating the location. To the right of the search form is a detailed property listing for 'Cavour Luxury Rooms'. The listing includes a header with the property name, address (Via Cavour, Central Station, 00194 Rome, Italy), and a 'Great location' badge. It features several thumbnail images of the rooms and a large image of a room with a prominent 'C' logo on the wall. Below the images is a section titled 'Property highlights' with a note about being perfect for a 2-night stay and having an excellent location score. At the bottom of the listing are sections for 'Options with:' and 'Options without:'.

3

Check if the Neighbourhood is Central Station.

Under the title of the property must be item Central Station.

This screenshot is identical to the one above, displaying the 'Cavour Luxury Rooms' property listing. The address is explicitly shown as 'Via Cavour, Central Station, 00194 Rome, Italy'. The listing includes the same images, highlights, and options sections as the previous screenshot.

C6: Add to and remove from Favorites

Type	Priority	Estimate	References
Other	Medium	None	None
Automation Type			
None			

Preconditions

Open <https://www.booking.com/> website.

The website must have 10+ properties from the Destination 'Rome'

Steps

- 1 Click on the Heart icon on the image of the selected property.

The selected property is added to Favourites.
The Heart icon became red and a new dialog box with a hyperlink appeared.

- 2 In a new dialog box with a hyperlink remove the checkbox My next trip.

The selected property is removed from Favourites.
The Heart icon became transparent.

C7: Check the saved item in Favorites

Under 'My next trip', there's a card for 'Cavour Luxury Rooms' in Rome, Italy, for 2 adults - 1 room from 17 Nov - 19 Nov. The price is listed as € 330, including taxes and charges. The card includes a photo of a room with a double bed and a desk, along with some text about the location and rating.

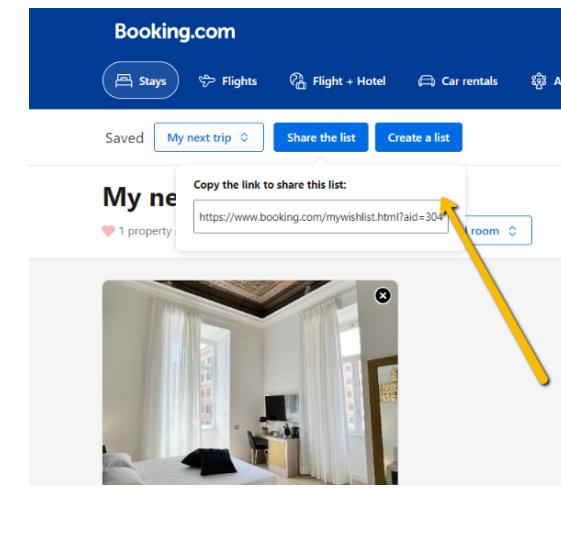

A dialog box appears to copy the link to share.

09.11.23, 14:16

Master - TestRail

The screenshot shows the Booking.com interface for a user's saved trips. At the top, there are navigation links for Stays, Flights, Flight + Hotel, Car rentals, and Attractions. Below this, a 'Saved' section displays a single item: 'My next trip'. This trip includes a saved property (1 property saved), travel dates (17 Nov - 19 Nov), and guest information (2 adults - 1 room). A yellow arrow points from the bottom right towards the 'Share the list' button, which is highlighted with a blue border.

The second part of the screenshot shows the same 'My next trip' page after the 'Share the list' button has been clicked. A modal window is open with the heading 'Copy the link to share this list:' and a text input field containing the URL 'https://www.booking.com/mywishlist.html?aid=304'. A yellow arrow points from the bottom right towards this URL input field.
